Test URL (For online) - https://amcat50.aspiringminds.com

To take the test, there are 2 basic requirements:

1. A Personal Computer / Laptop.
2. Smooth and uninterrupted Internet connectivity (throughout the testing session)

Procedure for taking online Test

Following are the steps for taking the test:
1. For taking the AMCAT exam type the URL in the address bar of the Web Browser.
2. Enter the username and password and click on **Login**.
3. Click on **Start New Test**.
5. Fill the registration form.
6**. Click on Start Test. A 14 digit number will appear. This is your AMCAT ID. Note it and keep it safe with you.**
7. Click on Next.
8. To answer a question click on Confirm and then Next to submit your answer.
9. Do not click on **Module Exit** or **Test Exit**.
10. **Ensure that while you open this link no other tab/window/link is opened simultaneously on your system else your scores will not be processed.**
11. Also, the internet connectivity should be smooth.
12. Please complete the assessment in one go.

IMPORTANT NOTE: You are NOT allowed to open any other Browser/Switch between the Test Screen and other windows/minimize the Test Window. The Test will automatically log out if a candidate is found switching through windows while taking the Test.

General Instructions:
1. There is no negative marking.
2. You have to answer all the questions mandatorily i.e. you cannot skip any question.
3. You cannot change your answer of any previous question.
4. If somehow your test is stopped in between, (due to power failure/internet disconnection) wait for five minutes. Now, you may login again using the same details. After entering the username and password click on **'Resume Incomplete Test'**. **Please ensure that you Resume Test within 2 hours of your test being stopped. (Please Resume the Test only after 5 minutes of halting the Test).**
